**2. Procedure**

Open

**3. Programme**

IPA

**4. Financing**

IPARD programme 2007-2013 Agriculture and Rural Development Plan

**5. Contracting Authority**

Municipality of Primorski Dolac

Primorski Dolac 2

21227 Primorski Dolac

Republic of Croatia

## **CONTRACT SPECIFICATIONS**

**6. Description of the contract**

The contract covers the construction of the waste water treatment plant, an absorbing pit and the plateau with the grease trap, which is just Phase 1 of the long term development plans, with all of the constructed objects located on a separated lot in the economic zone Bristovaca – Tristenica in Primorski Dolac. The plant will not have negative environmental effects, even though it purifies both the rain water and the waste water, before draining the processed water into the ground.

## **7. Number and titles of lots**

no, one lot only

## **TERMS OF PARTICIPATION**

## **8. Eligibility and rules of origin**

Participation is open to all legal persons participating either individually or in a grouping (consortium) of tenderers which are established in a Member State of the European Union or in a country or territory of the regions covered and/or authorised by the specific instruments applicable to the programme under which the contract is financed (see also heading 22 below). All works, supplies and services under this contract must originate in one or more of these countries. Participation is also open to international organisations. The participation of natural persons is directly governed by the specific instruments applicable to the programme under which the contract is financed.

## **9. Grounds for exclusion**

Tenderers must submit a signed declaration, included in the Tender Form for a Works Contract, to the effect that they are not in any of the situations listed in point 2.3.3 of the **Practical Guide to contract procedures for EU external actions**.

## **10. Number of tenders**

Tenderers may submit only one tender per lot. Tenders for parts of a lot will not be considered. Any tenderer may state in its tender that it would offer a discount in the event that its tender is accepted for more than one lot. Tenderers may not submit a tender for a variant solution in addition to their tender for the works required in the tender dossier.

## **11. Tender guarantee**

Tenderers must provide a tender guarantee of 9.580,20 euros when submitting their tender. This guarantee will be released to unsuccessful tenderers once the tender procedure has been completed and to the successful tenderer(s) upon signature of the contract by all parties.

## **12. Performance guarantee**

The successful tenderer will be asked to provide a performance guarantee of 10% of the amount of the contract at the signing of the contract. This guarantee must be provided together with the return of the countersigned contract no later than 30 days after the tenderer receives the contract signed by the Contracting Authority. If the selected tenderer fails to provide such a guarantee within this period, the contract will be void and a new contract may be drawn up and sent to the tenderer which has submitted the next cheapest compliant tender.

## **13. Information meeting and/or site visit**

The tenderer is strongly advised, but not obliged to attend the clarification meeting and to visit and inspect the site of the works and its surroundings for the purpose of assessing, at his own responsibility, expense and risk, factors necessary for the preparation of his tender and the signing of the contract for the works.

Clarification meeting will be held on 16<sup>st</sup> of October 2013 at 10:00 local time.

The site visit will be held on 16<sup>st</sup> of October 2013 at 11:00 local time.

The meeting will be held in the premises of the:
